However, specific pitches cannot be guaranteed and we reserve the right to allocate a pitch at our discretion. Please try to book early if you have specific requirements.

We would like to draw your attention to our request that if you are on a hardstanding pitch you put your awning on the gravel area not grass. If you are on a grass pitch, we ask that you lift your groundsheet (only breathable groundsheet are permitted) completely at least twice a week and tents must be moved within the pitch at least once a week. No commercial vehicles are admitted.

Dogs must be on leads at all times on the Park.
